Trustteam – IT EUC Senior Consultant

JOB ROLE

We are looking for an End User Computing (EUC) Consultant (Expert) to join our technical team. The ideal candidate will have extensive expertise in desktop Virtualisation (VDI) environments, as well as mastery of key industry tools, including VMware Horizon (Omnissa Horizon and UAG).

JOB PROFILE

- Expertise in VMware Horizon (including Omnissa Horizon, the new VMware Horizon) for designing, setting up and optimising the VDI infrastructure

- Expertise in Unified Access Gateway (UAG) for designing, setting up and optimising the VDI infrastructure

- Create and deploy the GPO for the newly created environment

- Deploy the VDIs to the newly created environment

- End-user device management: Implementation, configuration and maintenance of VDI solutions to ensure an optimal working environment for end-users

- Technical support and optimisation: Monitoring the performance and stability of End User Computing environments, as well as resolving incidents and user requests

Skills Required

- Proficiency in VMware Horizon (Omnissa Horizon) and UAGs, with solid experience in implementing, managing and optimising VDI solutions

- Experience in creating and deploying GPOs in a VDI environment

- Good knowledge of Windows environments and deployment automation tools

- Ability to analyse and resolve technical problems in a complex environment

- Thoroughness and ability to work as part of a team

Profile Required

- At least 7 to 10 years' experience in a similar role

- Strong ability to adapt and learn, with excellent communication skills and team spirit

- Professional French and English

WE OFFER

- The possibility to evolve on a permanent basis within a company in expansion, recognized for its professionalism in the quality of the delivered material as well as its first-class services and support to its customers.

- A competitive and attractive salary package along with extra-legal advantages. We will also show our appreciation of your contribution with continuous training; from computer-based training to a training program for different certifications; as well as a creative and enriching work environment.

- A professional team with a strong commitment to the company and an excellent team spirit.
